

ZC-01 / ZC-02 / ZC-03 Conductive Foam

Conductive urethane foam in high density

- Protects IC and other static-sensitive components
- Suitable for storage and portable use
- Material: Polyethylene with carbon black contained
- Surface Resistivity : less than $5 \times 10^6 \Omega$

| Item No. | Size (mm) |
|----------|--------------------|
| ZC-01 | 75 x 130 x 10 (T) |
| ZC-02 | 100 x 290 x 10 (T) |
| ZC-03 | 250 x 300 x 10 (T) |
